Taking you to a whole new level of performance excellence!

Special Design Features

Unique height adjustment gear for consistent, repeatable settings for multiple users.

Eight numerical settings provide a superior range of adjustments from 18.5" to 23.5" high - eliminating the need for pillows or props, and making repetitions adjustments quick and easy.

Front-mounted handles for ease of adjustment; spring-assisted mechanism is constructed of heavy gauge welded steel.

Bench measures 13.5" wide x 20" long

Durable fabrics and comfortable padded top

7-coat lacquer finish for lasting beauty

Designed for lifetime performance
